LIST OF TABLES FOR 21 METROPOLITAN AREAS

Tables

ESTIMATES¹

SELECTED DRUG CATEGORIES FOR 21 METROPOLITAN AREAS

ED mentions for selected drug categories, total ED drug episodes and mentions, and total ED visits: Estimates

- | | |
|----------------|--|
| 2.1.1 – 2.1.21 | Selected drug categories for each metropolitan area by half year |
| 2.2.1 – 2.2.21 | Selected drug categories for each metropolitan area by year |

DETAIL OF DRUGS CONTAINED IN SELECTED DRUG CATEGORIES

ED mentions by drug category: Estimates for 21 metropolitan areas by year

- | | |
|----------------|---|
| 2.3.1 – 2.3.21 | Selected major substances of abuse for each metropolitan area by year |
| 2.4.1 – 2.4.21 | Psychotherapeutic agents for each metropolitan area by year |
| 2.5.1 – 2.5.21 | Central nervous system agents for each metropolitan area by year |
| 2.6.1 – 2.6.21 | Respiratory agents for each metropolitan area by year |
| 2.7.1 – 2.7.21 | Cardiovascular agents for each metropolitan area by year |

DEMOGRAPHIC CHARACTERISTICS FOR 21 METROPOLITAN AREAS

ED drug episodes/mentions by patient demographic characteristics: Estimates

- | | |
|----------------|--|
| 4.1.1 – 4.1.21 | Episodes for each metropolitan area by half year |
| 4.2.1 – 4.2.21 | Episodes for each metropolitan area by year |
| 4.3.1 – 4.3.21 | Mentions for each metropolitan area by half year |
| 4.4.1 – 4.4.21 | Mentions for each metropolitan area by year |
| 4.5.1 – 4.5.21 | Cocaine mentions for each metropolitan area by half year |
| 4.6.1 – 4.6.21 | Cocaine mentions for each metropolitan area by year |
| 4.7.1 – 4.7.21 | Heroin mentions for each metropolitan area by half year |

¹ Relative Standard Error (RSE) tables corresponding to all estimate tables (except Tables 2.3.1 – 2.3.21 through 2.7.1 – 2.7.21) are included in each metropolitan area file using the same table numbers and beginning with the prefix, "RSE."

LIST OF TABLES (continued)

Tables

4.8.1 – 4.8.21	Heroin mentions for each metropolitan area by year
4.9.1 – 4.9.21	Marijuana mentions for each metropolitan area by half year
4.10.1 – 4.10.21	Marijuana mentions for each metropolitan area by year
4.11.1 – 4.11.21	Methamphetamine mentions for each metropolitan area by half year
4.12.1 – 4.12.21	Methamphetamine mentions for each metropolitan area by year

EPISODE CHARACTERISTICS FOR 21 METROPOLITAN AREAS

ED drug episodes/mentions by episode characteristics: Estimates

5.1.1 – 5.1.21	Episodes for each metropolitan area by half year
5.2.1 – 5.2.21	Episodes for each metropolitan area by year
5.3.1 – 5.3.21	Mentions for each metropolitan area by half year
5.4.1 – 5.4.21	Mentions for each metropolitan area by year
5.5.1 – 5.5.21	Cocaine mentions for each metropolitan area by half year
5.6.1 – 5.6.21	Cocaine mentions for each metropolitan area by year
5.7.1 – 5.7.21	Heroin mentions for each metropolitan area by half year
5.8.1 – 5.8.21	Heroin mentions for each metropolitan area by year
5.9.1 – 5.9.21	Marijuana mentions for each metropolitan area by half year
5.10.1 – 5.10.21	Marijuana mentions for each metropolitan area by year
5.11.1 – 5.11.21	Methamphetamine mentions for each metropolitan area by half year
5.12.1 – 5.12.21	Methamphetamine mentions for each metropolitan area by year

[Table numbers 6 through 11 have been reserved for future expansion.]

LIST OF TABLES (continued)

Table

RATES PER 100,000 POPULATION²

SELECTED DRUG CATEGORY RATES FOR 21 METROPOLITAN AREAS BY YEAR

ED mentions for selected drug categories, total ED drug episodes and mentions, and total ED visits: Estimated rates per 100,000 population

- 12.1.1 – 12.1.21 Selected drug categories for each metropolitan area by half year
- 12.2.1 – 12.2.21 Selected drug categories for each metropolitan area by year

DETAIL OF DRUGS CONTAINED IN SELECTED DRUG CATEGORIES

ED mentions by drug category: Estimated rates per 100,000 population

- 12.3.1 – 12.3.21 Selected major substances of abuse for each metropolitan area by year
- 12.4.1 – 12.4.21 Psychotherapeutic agents for each metropolitan area by year
- 12.5.1 – 12.5.21 Central nervous system agents for each metropolitan area by year
- 12.6.1 – 12.6.21 Respiratory agents for each metropolitan area by year
- 12.7.1 – 12.7.21 Cardiovascular agents for each metropolitan area by year

RATES FOR DEMOGRAPHIC CHARACTERISTICS FOR 21 METROPOLITAN AREAS BY YEAR

ED drug episodes/mentions by age and gender: Estimated rates per 100,000 population

- 14.1.1 – 14.1.21 Episodes for each metropolitan area by half year
- 14.3.1 – 14.3.21 Mentions for each metropolitan area by half year
- 14.4.1 – 14.4.21 Mentions for each metropolitan area by year
- 14.5.1 – 14.5.21 Cocaine mentions for each metropolitan area by half year
- 14.6.1 – 14.6.21 Cocaine mentions for each metropolitan area by year
- 14.7.1 – 14.7.21 Heroin mentions for each metropolitan area by half year

² Relative Standard Errors (RSEs) are identical for estimates and rates. RSE tables corresponding to all rates are included in each metropolitan area file using the same table numbers, without the preceding number “1,” and beginning with the prefix, “RSE.”

14.8.1 – 14.8.21 Heroin mentions for each metropolitan area by year

14.9.1 – 14.9.21 Marijuana mentions for each metropolitan area by half year

14.10.1 – 14.10.21 Marijuana mentions for each metropolitan area by year

14.11.1 – 14.11.21 Methamphetamine mentions for each metropolitan area by half year

14.12.1 – 14.12.21 Methamphetamine mentions for each metropolitan area by year
